Comments: Dear Sir or Madam<

I understand FDA Docket No. 98N-1265 will hamper drug compounding pharmacies in shipping across state lines.

I am a Celiac Disease/Osteoporosis patient who must have GLUTEN FREE, magnesium free prescriptions.
I obtain them from Stokes Pharmacy in New York, NY. I know of no other source of these pharmaceuticals.

There are a great many people in this situation. If this act is passed into law I will be unable to control my Osteoporosis because I will have no source other than Stokes Pharmacy.

Please consider this request as Imperative to my health, and those of others.

Thank you,

Viola Orloff
